I, \_\_\_\_\_, am using the Active Autowerke Performance Software Upgrade in off-road and/or competition situations solely. I have been informed that the software I am purchasing is custom-designed for off-road use only. I understand that it is my responsibility to ensure that the use of the vehicle and items purchased do comply with federal, state, and local regulations. I understand that Active Autowerke performance software is not legal for use in the state of California on any pollution-controlled motor vehicles. Performance products are legal in California only for racing vehicles, which may never be used on a public road.
